From:	Randy Sugrue, BDD Operations Superintendent
Subject:	Update on BDD Operations for the Month of June 2022

ITEM:

- 1. This memorandum is to update the Buckman Direct Diversion Board (BDDB) on BDD operations during the month of June 2022. The BDD diversions and deliveries have averaged, in Million Gallons Per Day (MGD) as follows:
 - a. Raw water diversions: 7.21 MGD.
 - b. Drinking water deliveries through Booster Station 4A/5A: 5.97 MGD.
 - c. Raw water delivery to Las Campanas at BS2A: 1.01 MG
 - d. Onsite treated and non-treated water storage: 0.23 MGD Average.
- 2. The BDD is providing approximately 46% percent of the water supply to the City and County for the month.
- 3. The BDD year-to-date diversions are depicted below:

Year-To-Date Comparison

4. Regional Demand/Drought Summary and Storage-see page 2.

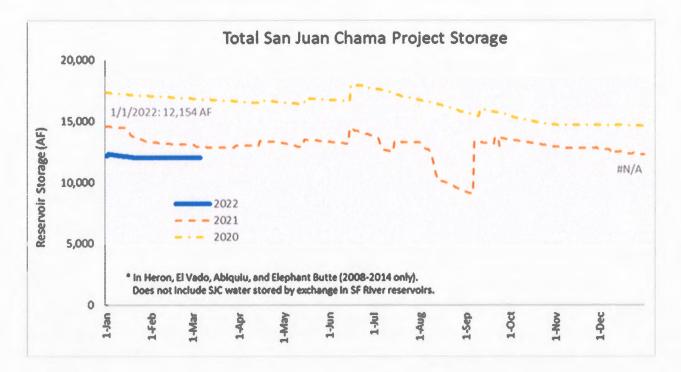

Regional Water Overview

Daily metered regional water demand for the month of June 2022 is approximately 12.7 MGD.

Rio Grande flows for June 2022 averaged approximately 500 CFS (cubic feet per second.)

CRWTP reservoir storage: Nichols: 75.3%/McClure: 8.9% (20.1% combined) Watershed Inflow: 5.56 MGD

City/County/LC Storage- as updated by partners.

ENSO Summary

June 20, 2022

La Niña is present.*

Equatorial sea surface temperatures (SSTs) are below average across most of

the Pacific Ocean.

The tropical Pacific atmosphere is consistent with La Niña.

Though La Niña is favored to continue through the end of the year, the odds for

La Niña decrease into the Northern Hemisphere late summer (52% chance in

July-September 2022) before slightly increasing through the Northern Hemisphere fall and early winter 2022 (58-59% chance).

Memorandum

Date:	June 28, 2022
То:	Buckman Direct Diversion Board
From:	Rick Carpenter and Kyle Harwood
Subject:	Report and Update regarding the May 26, 2022, Annual Review Meeting pursuant to Section H of the 2022 Memorandum of Understanding between the US DOE, Office of Environmental Management, Los Alamos Field Office and the Buckman Direct Diversion Board Regarding Notification of Streamflow and Water Quality Monitoring in Los Alamos and Pueblo Canyons.

Item and Issue

Under the current 2022 Memorandum of Understanding ("MOU") between the Buckman Direct Diversion ("BDD") Board and the U.S. Department of Energy ("DOE"), the parties agreed to conduct an "Annual Review" meeting pursuant to Section H to discuss: 1) the Early Notification System ("ENS"); 2) BDD operations and the BDD Intake Sampling Program; 3) status of the DOE grant; and 4) the Los Alamos/Pueblo Canyon Watershed Sediment Transport Mitigation Project. The first Annual Review meeting under the current MOU took place on May 26, 2022. Rick Carpenter, Kyle Harwood, and James Bearzi attended on behalf of the BDD.

LA/Pueblo Canyon Early Notification System (ENS):

DOE reports that all four ENS stations are currently functional and operational. ENS stations are inspected year-round on a weekly basis. In the past year, no ENS stations were nonoperational for more than one week.

The new flow-only radar monitoring station in lowermost Los Alamos Canyon called for in the current MOU (the "E110.7 station") is expected to be installed in July. DOE identified two factors that could cause delays in installation: 1) the National Environmental Policy Act ("NEPA") calls for a Floodplain Assessment to be conducted before the station can be installed¹; and 2) the Pueblo de San Ildefonso and federal agencies had activity restrictions in May and June due to fire danger. DOE has been in close communication with BDD staff and technical consultants regarding both of these issues. Updated status and activities will be provided at the Board meeting verbally.

¹ The draft Floodplain Assessment was noticed on June 2, 2022, ending on June 16, 2022. Following the conclusion of the public comment period, DOE will reevaluate alternatives to the proposed floodplain action and the mitigating measures, taking into account all substantive comments received, and prepare a floodplain statement of findings.

BDD is working with DOE to deploy the appropriate data transmission technology and with the Pueblo de San Ildefonso to secure the necessary access permits to receive data from the new station. DOE has agreed to BDD's request to accompany DOE's contractor on ENS inspections and to observe installation of the new station.

DOE's contractor presented information about the Los Alamos/Pueblo Canyon watershed hydrology and sampling over the past three years.

BDD Operations and Sampling:

BDD conveyed to DOE that the only notification from the ENS to BDD operators of a >5 cubic feet per second ("cfs") flow during the previous calendar year occurred on August 26, 2021. This flow was detected in Pueblo Canyon and sent an automatic signal to BDD, and in response the BDD shut down the intake structure ... intake operations resumed approximately eight hours following the shutdown.

At the time of the Annual Review meeting, BDD had not compiled its report of 2021 sampling. BDD will send the report to DOE once it is review and posted on BDD website.

DOE Grant for Rio Grande sampling:

BDD and DOE reported that, as expected for this time of the year, very little of the \$96,000 grant funding for this calendar year has been expended. BDD will provide DOE with a Sampling Plan showing its intent and strategy to fully expend these funds this grant year.

LA/Pueblo Canyon Sediment Migration Mitigation Project:

DOE informed BDD that it proposed no changes to the 2022 Monitoring Plan compared to that which was implemented in 2021.² BDD technical consultants continue to have concerns with DOE's approach to assessing sediment migration.

Recommendation

BDD staff and consultants continue to coordinate with DOE staff on implementation of the 2022 MOU and will provide updates to the Board as directed.

² The New Mexico Environment Department ("NMED") approved DOE's Sediment Migration Mitigation 2021 Report and 2022 Plan on June 1, 2022.

Subject	Amendment No. 1 – Alpha Southwest KBS Pump 4

<u>ITEM</u>

Request for approval of Amendment No. 1 to extend terms of the Services Agreement with Alpha Southwest Inc.

BACKGROUND AND SUMMARY

On August 5th 2021, the Buckman Direct Diversion Board approved a request to authorize funds from the Major Repair and Replacement Fund to replace pump #4 at the Raw Water Lift Station through a State Wide Price agreement with Alpha Southwest Inc.

The cost associated with the replacement of this pump is \$253,833.30. Completion of this project will continue into fiscal year 2023 and unexpended funds are expected to carry over. Due to many factors such as high vibrational force, refurbished equipment, and re-location of existing pump the purchase of a new KBS pump #4 is required. The reasoning for the on-going completion time is due to global supply chain and manufacturing issues and not all the equipment has been received.

ACTION REQUESTED

Staff recommends approval of Amendment No. 1 to the Service Agreement with Alpha Southwest, Inc. to extend terms to June 30, 2023 for the KBS pump #4 installation project.

Approved by BDDB July, 2 2022

BUCKMAN DIRECT DIVERSION BOARD AMENDMENT No. 1 TO THE PROFESSIONAL SERVICES AGREEMENT WITH ALPHA SOUTHWEST, INC 21-0521

THIS AMENDMENT No. 1 (the "Amendment") to the Professional Services Agreement, between Owner and Contractor dated September 9, 2021, (the "Agreement"), is made between the Buckman Direct Diversion Board ("BDDB") and Alpha Southwest Inc. ("Contractor"). The effective date of this Amendment shall be the date it is executed by the BDDB.

RECITALS

A. WHEREAS, under the terms of the Agreement, Contractor agrees to provide and install a new KSB pump, drawings, scheduling, and worksite preparation related to the install of this pump.

B. Pursuant to Article 7 of the Agreement, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the BDDB and Contractor agree as follows:

1. <u>TERM AND EFFECTIVE DATE</u>

Article 4, of the Agreement is amended to extend the term to terminate on June 30, 2023. The BDDB reserves the right to renew the contract on an annual basis by mutual agreement not to exceed a total of four (4) years in accordance with NMSA 1978, 13-1-150 through 152.

2. AGREEMENT IN FULL FORCE

Except as specifically provided in this Amendment, the Agreement remains, and shall remain, in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 1 to the Agreement as of the dates set forth below.

Request for Approval to Replace Pump #4 at RWLS

ITEM AND ISSUE:

Request for approval to authorize funds from the Major Repair and Replacement Fund to replace pump #4 at the Raw Water Lift Station.

BACKGROUND AND SUMMARY:

The Major Repair and Replacement Fund allows level annual funding and ensures funding is available to repair and/or replace capital equipment when the capital equipment has reached the end of its effective useful life. Pump #4 at RWLS had previously been rebuilt, but due to the high vibration, cannot be used at this location. The cost to repair this pump is \$253,833.30. The pump is usable, but not in the #4 position. The company that manufactured the existing pumps has dismantled the company and now the pumps are obsolete. The total cost associated with the replacement of this pump through the NM State Price Agreement is \$253,833.30, to include \$40,273 for electrical and engineering services. In due time, the remaining four pumps at this station will also require replacement.

ACTION REQUESTED:

Staff recommends approval of the replacement of pump #4 located at the RWLS, in accordance with the BDD Major Repair and Replacement Fund Policy.

BUCKMAN DIRECT DIVERSION BOARD PROFESSIONAL SERVICES AGREEMENT WITH ALPHA SOUTHWEST

THIS PROFESSIONAL SERVICES AGREEMENT ("Agreement") is made and entered into by and between the Buckman Direct Diversion Board ("BDDB") and Alpha Southwest ("Contractor"). The effective date of this Agreement shall be the date when it is executed by the Board.

1. SCOPE OF SERVICES

Contractor shall provide services for the BDDB as more particularly described in Exhibit 1 attached hereto and generally as:

A. Installation of new KSB pump

B. Drawings, scheduling coordination reports and calculations, worksite preparation

field labor, shop labor, and travel related to installation of the pump.

2. STANDARD OF PERFORMANCE; LICENSES

A. Contractor represents that Contractor possesses the personnel, experience and knowledge necessary to perform the Scope of Services described in this Agreement. Contractor shall perform its services in accordance with generally accepted standards and practices customarily utilized by competent consulting firms in effect at the time Contractor's services are rendered.

B. Contractor agrees to obtain and maintain throughout the term of this Agreement, all applicable professional and business licenses required by law, for itself, its employees, agents, representatives and subcontractors.

3. COMPENSATION

A. Compensation under this Agreement shall be Two Hundred Fifty-Three Thousand Eight Hundred Thirty-Three and .30/100 Dollars (\$253,833.30) plus applicable New Mexico gross receipts tax.

B. Contractor shall be responsible for payment of gross receipts taxes levied by the State of New Mexico on the sums paid under this Agreement.

C. Payment shall be made upon receipt and approval by the BDDB of detailed statements containing a report of services completed. Compensation shall be paid only for services performed.

4. APPROPRIATIONS

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the BDDB for the performance of this Agreement. If sufficient appropriations and authorization are not made, this Agreement shall terminate upon written notice being given by the BDDB to Contractor. The BDDB's decision as to whether sufficient appropriations are available shall be accepted by Contractor and shall be final.

5. TERM AND EFFECTIVE DATE

This Agreement shall be effective when signed by the BDDB and terminate June 30, 2022.

6. TERMINATION

A. This Agreement may be terminated by the BDDB upon 30 days written notice to Contractor. In the event of such termination:

(1) Contractor shall render a final report of the services performed up to the date of termination and shall turn over to the BDDB original copies of all work product, research or papers prepared under this Agreement.

Alpha Southwest Professional Services Agreement - 2021/2022

(2) If payment has not already been made, Contractor shall be paid for services rendered and expenses incurred through the date Contractor receives notice of such termination. If full payment has been made, Contractor agrees to prorate for work accomplished and refund all amounts earned.

7. STATUS OF CONTRACTOR; RESPONSIBILITY FOR PAYMENT OF EMPLOYEES AND SUBCONTRACTORS

A. Contractor and its agents and employees are independent contractors performing professional services for the BDDB and are not employees of the BDDB. Contractor, and its agents and employees, shall not accrue leave, retirement, insurance, bonding, use of BDDB vehicles, or any other benefits afforded to employees of the BDDB as a result of this Agreement.

B. Contractor shall be solely responsible for payment of wages, salaries and benefits to any and all employees or contractors retained by Contractor in the performance of the services under this Agreement.

C. Contractor shall comply with the City of Santa Fe Minimum Wage, Article 28-1-SFCC 1987, as well as any subsequent changes to such article throughout the term of this Agreement.

8. CONFIDENTIALITY

Any confidential information provided to or developed by Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by Contractor without the prior written approval of the BDDB.

9. CONFLICT OF INTEREST

Contractor warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of services required

8

under this Agreement. Contractor further agrees that in the performance of this Agreement no persons having any such interests shall be employed.

10. ASSIGNMENT; SUBCONTRACTING

Contractor shall not assign or transfer any rights, privileges, obligations or other interest under this Agreement, including any claims for money due, without the prior written consent of the BDDB. Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the BDDB.

11. RELEASE

Contractor, upon acceptance of final payment of the amount due under this Agreement, releases the BDDB, City of Santa Fe, Santa Fe County, Las Campanas Water and Sewer Cooperative and The Club at Las Campanas; their officers, officials and employees, from all liabilities, claims and obligations whatsoever arising from or under this Agreement. If not completed at the time of final payment, Contractor shall remain obligated to complete the Scope of Services and other obligations of this Agreement. Contractor agrees not to purport to bind the BDDB to any obligation not assumed herein by the BDDB unless Contractor has express written authority to do so, and then only within the strict limits of that authority.

12. INSURANCE

A. Contractor shall not begin the Professional Services required under this Agreement until it has: (i) obtained, and upon the BDDB's request provided to the BDDB, insurance certificates reflecting evidence of all insurance required herein; however, the BDDB reserves the right to request, and Contractor shall submit, copies of any policy upon reasonable request by the BDDB; (ii) obtained BDDB approval of each company or companies as required below; and (iii) confirmed that all policies contain the specific provisions required. Contractor's

9

liabilities, including but not limited to Contractor's indemnity obligations, under this Agreement, shall not be deemed limited in any way to the insurance coverage required herein. Maintenance of specified insurance coverage is a material element of this Agreement and Contractor's failure to maintain or renew coverage or to provide evidence of renewal during the term of this Agreement may be treated as a material breach of Agreement by the BDDB.

B. Further, Contractor shall not modify any policy or endorsement thereto which increases the BDDB's exposure to loss for the duration of this Agreement.

C. **Types of Insurance.** At all times during the term of this Agreement, Contractor shall maintain insurance coverage as follows:

(1) **Commercial General Liability.** Commercial General Liability (CGL) Insurance must be written on an ISO Occurrence form or an equivalent form providing coverage at least as broad which shall cover liability arising from any and all bodily injury, personal injury or property damage providing the following minimum limits of liability.

General Annual Aggregate (other than Products/Completed Operation)	\$1,000,000
Products/Completed Operations Aggregate Limit	\$1,000,000
Personal Injury Limit	\$1,000,000
Each Occurrence	\$1,000.000

(2) Automobile Liability. For all of Contractor's automobiles including owned, hired and non-owned automobiles, Contractor shall keep in full force and effect, automobile liability insurance providing coverage at least as broad for bodily injury and property damage with a combined single limit of not less than \$1 million per accident.

Alpha Southwest Professional Services Agreement - 2021/2022

10

An insurance certificate shall be submitted to the BDDB that reflects coverage for any automobile [any auto].

(3) **Professional Liability.** For Contractor and all of Contractor's employees who are to perform professional services under this Agreement, Contractor shall keep in full force and effect, Professional Liability insurance for any professional acts, errors or omissions. Such policy shall provide a limit of not less than \$1,000,000 per claim and \$1,000,000 annual aggregate. Contractor shall ensure both that: (i) the policy retroactive date is on or before the date of commencement of the first work performed under this Agreement; and (ii) the policy will be maintained in force for a period of three years after substantial completion of the project or termination of this Agreement whichever occurs last. If professional services rendered under this Agreement include work relating to environmental or pollution hazards, Contractor's policy shall not contain exclusions for those activities.

(4) Workers' Compensation. For all of Contractor's employees who are subject to this Agreement and to the extent required by any applicable state or federal law, Contractor shall keep in full force and effect, a Workers' Compensation policy & Employers Liability policy. That policy shall provide Employers Liability Limits as follows:

Bodily Injury by Accident	\$500,000	Each Accident
Bodily Injury by Disease	\$500,000	Each Employee
Bodily Injury by Disease	\$500,000	Policy Limit

Contractor shall provide an endorsement that the insurer waives the right of subrogation against the BDDB, City of Santa Fe, Santa Fe County, Las Campanas Water

Alpha Southwest Professional Services Agreement - 2021/2022

and Sewer Cooperative and The Club at Las Campanas; their respective elected officials, officers, employees, agents, volunteers and representatives.

D. Cancellation. Except as provided for under New Mexico law, all policies of insurance required hereunder must provide that the BDDB is entitled to thirty (30) days prior written notice (10 days for cancellation due to non-payment of premium) of cancellation or non-renewal of the policy or policies as evidence by an endorsement to the policies which shall be attached to the certificates of insurance. Cancellation provisions in insurance certificates shall not contain the qualifying words "endeavor to" and "but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents or representatives." In the event Contractor's insurance carriers will not agree to this notice requirement, Contractor will provide written notice to the BDDB within four working days of Contractor's receipt of notice from its insurance carrier(s) of any cancellation, nonrenewal or material reduction of the required insurance.

E. Insurer Requirements. All insurance required by express provision of this Agreement shall be carried only by responsible insurance companies that have rated "A-" and "V" or better by the A.M. Best Key Rating Guide, that are authorized to do business in the State of New Mexico, and that have been approved by the BDDB. The BDDB will accept insurance provided by non-admitted, "surplus lines" carriers only if the carrier is authorized to do business in the State of New Mexico.

F. **Deductibles.** All deductibles or co-payments on any policy shall be the responsibility of Contractor.

Alpha Southwest Professional Services Agreement - 2021/2022

G. Specific Provisions Required.

(1) Each policy shall expressly provide, and an endorsement shall be submitted to the BDDB, that the policy or policies providing coverage for Commercial General Liability must be endorsed to include as an Additional Insured, the BDDB, City of Santa Fe, Santa Fe County, Las Campanas Water and Sewer Cooperative and The Club at Las Campanas; their respective elected officials, officers, employees, agents, volunteers and representatives.

(2) All policies required herein are primary and non-contributory to any insurance that may be carried by the BDDB, City of Santa Fe, Santa Fe County, Las Campanas Water and Sewer Cooperative and The Club at Las Campanas; their respective elected officials, officers, employees, agents, volunteers and representatives, as reflected in an endorsement which shall be submitted to the BDDB.

 (a) Contractor agrees that for the time period defined above, there will be no changes or endorsements to the policy that increase the BDDB's exposure to loss.

(b) Before performing any Professional Services, Contractor shall provide the BDDB with all Certificates of Insurance accompanied with all endorsements.

(c) The BDDB reserves the right, from time to time, to review Contractor's insurance coverage, limits, and deductible and self-insured retentions to determine if they are acceptable to the BDDB. The BDDB will reimburse Contractor for the cost of the additional premium for any coverage requested by

Alpha Southwest Professional Services Agreement – 2021/2022

the BDDB in excess of that required by this Agreement without overhead, profit, or any other markup.

(d) Contractor may obtain additional insurance not required by this Agreement.

13. INDEMNIFICATION

General Indemnification. To the greatest extent permitted by law, Contractor shall indemnify, hold harmless and defend the BDDB, City of Santa Fe, Santa Fe County, Las Campanas Water and Sewer Cooperative and The Club at Las Campanas; their respective elected officials, officers, employees, agents, volunteers and representatives from all losses, damages, claims or judgments, including payments of all attorneys' fees and costs on account of any suit, judgment, execution, claim, action or demand whatsoever arising from Contractors performance or non-performance under this Agreement as well as the performance or non-performance of Contractor's employees, agents, representatives and subcontractors or any tier.

Indemnification for Professional Acts, Errors or Omissions. Except for professional acts, error or omissions that are the result of established gross negligence or willful misconduct on the part of Contractor, or its employees, agents, representatives or sub-consultants, the General Indemnification shall not apply to professional acts, errors or omissions unless covered by Professional Liability insurance required in this Agreement.

14. NEW MEXICO TORT CLAIMS ACT

Any liability incurred by the BDDB in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, § 41-4-1, *et seq.*, as amended. The BDDB and their "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any

limitation of liability pursuant to law. No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

15. THIRD-PARTY BENEFICIARIES

By entering into this Agreement, the parties do not intend to create any right, title or interest in or for the benefit of any person other than the BDDB and Contractor. No person shall claim any right, title or interest under this Agreement or seek to enforce this Agreement as a third-party beneficiary of this Agreement.

16. RECORDS, DOCUMENT CONTROL AND AUDIT

A. Contractor shall conform with and participate in the Document Control policies of the BDDB or City of Santa Fe. Contractor shall maintain, throughout the term of this Agreement and for a period of three years thereafter, all records that relate to the scope of services provided under this Agreement.

B. Detailed records that indicate the date, time and nature of services rendered shall also be retained for a period of three years after the term of this agreement expires. These records shall be subject to inspection by City of Santa Fe, the Department of Finance and Administration, the State Auditor. The BDDB and City of Santa Fe shall have the right to audit the billing both before and after payment to Contractor. Payment under this Agreement shall not foreclose the right of the BDDB or City of Santa Fe to recover excessive or illegal payments.

17. APPLICABLE LAW; CHOICE OF LAW; VENUE

Contractor shall abide by all applicable federal and state laws and regulations, and all ordinances, rules and regulations of the BDDB. In any action, suit or legal dispute arising from this Agreement, Contractor agrees that the laws of the State of New Mexico shall govern. Any action or suit commenced in the courts of the State of New Mexico shall be brought in the First Judicial District.

18. AMENDMENT

This Agreement shall not be altered, changed or modified except by an amendment in writing executed by the parties hereto.

19. SCOPE OF AGREEMENT

This Agreement incorporates all the agreements, covenants, and understandings between the parties hereto concerning the services to be performed hereunder, and all such agreements, covenants and understandings have been merged into this Agreement. This Agreement expresses the entire Agreement and understanding between the parties with respect to said services. No prior agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

20. NON-DISCRIMINATION

During the term of this Agreement, Contractor shall not discriminate against any employee or applicant for an employment position to be used in the performance of services by Contractor hereunder, on the basis of ethnicity, race, age, religion, creed, color, national origin, ancestry, sex, gender, sexual orientation, physical or mental disability, medical condition, or citizenship status.

21. SEVERABILITY

In case any one or more of the provisions contained in this Agreement or any application thereof shall be invalid, illegal or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions contained herein, and any other application thereof shall not in any way be affected or impaired thereby.

22. NOTICES

Any notices requests, demands, waivers and other communications given as provided in this Agreement will be in writing and will be deemed to have been given if delivered in person (including by Federal Express or other personal delivery service), or mailed by certified or registered mail, postage prepaid, and addressed as follows:

BUCKMAN DIRECT DIVERSION BOARD AMENDMENT No. 3 TO THE AGREEMENT WITH ALPHA SOUTHWEST, INC 19-0301

THIS AMENDMENT No. 3 (the "Amendment") to the Agreement, between Owner and Contractor dated April 4, 2019 and as subsequently amended (the "Agreement"), is made between the Buckman Direct Diversion Board ("BDDB") and Alpha Southwest Inc. ("Contractor"). The effective date of this Amendment shall be the date it is executed by the BDDB.

RECITALS

A. WHEREAS, under the terms of the Agreement, Contractor agreed to provide on-call emergency repair for operations and maintenance to the BDD.

B. Pursuant to Article 7 of the Agreement, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the BDDB and Contractor agree as follows:

1. <u>COMPENSATION.</u>

Article 2, paragraph B of the Agreement is amended to increase the amount of compensation by a total of Sixty Thousand Dollars (\$60,000.00) plus applicable gross receipts tax, so that Article 2, paragraph B reads in its entirety as follows:

A. The total compensation under this Agreement shall not exceed Five Hundred Eighty-Seven Thousand, Six Hundred Seventy-Seven and .76/100 Dollars (\$587,677.76) plus applicable gross receipts tax.

2. <u>TERM AND EFFECTIVE DATE</u>

Article 4, of the Agreement is amended to extend the term to terminate on April 23, 2023. The BDDB reserves the right to renew the contract on an annual basis by mutual agreement not to exceed a total of four (4) years in accordance with NMSA 1978, 13-1-150 through 152.

3. AGREEMENT IN FULL FORCE

Except as specifically provided in this Amendment, the Agreement remains, and shall remain, in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 3 to the Agreement as of the dates set forth below.

THIS AMENDMENT No. 2 (the "Amendment") to the Agreement, between Owner and Contractor dated April 4, 2019 and as subsequently amended (the "Agreement"), is made between the Buckman Direct Diversion Board ("BDDB") and Alpha Southwest Inc. ("Contractor"). The effective date of this Amendment shall be the date it is executed by the BDDB.

RECITALS

A. WHEREAS, under the terms of the Agreement, Contractor agreed to provide on-call emergency repair for operations and maintenance services to the BDD.

B. Pursuant to Article 7 of the Agreement, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the Board and the Contractor agree as follows:

1. <u>COMPENSATION.</u>

Article 2, paragraph B of the Agreement is amended to increase the amount of compensation by a total of Thirty thousand dollars (\$30,000.00) plus applicable gross receipts tax, so that Article 2, paragraph B reads in its entirety as follows:

A. The total compensation under this agreement shall not to exceed five hundred twentyseven thousand, six hundred seventy-seven dollars and seventy six cents. (\$527,677.76) plus applicable gross receipts tax, from the following BDDB Operating funds:

- Multi-Year Funding-Major Repair & Replacement Fund \$367,677.76
- FY 2018-2019- BDD Operating Fund \$40,000.00
- FY 2019-2020-BDD Operating Fund \$60,000.00

FY2022 Alpha Southwest, Inc. - Amendment No. 2

- FY 2020-2021 BDD Operating Fund \$30,000.00
- FY2022-2023 BDD Operating Fund \$30,000.00

2. <u>TERM AND EFFECTIVE DATE</u>

Article 4, of the Agreement is amended to extend the term to terminate on June 30, 2022. The BDDB reserves the right to renew the contract on an annual basis by mutual Agreement not to exceed a total of four (4) years in accordance with NMSA 1978, 13-1-150 through 152.

3. <u>AGREEMENT IN FULL FORCE</u>

Except as specifically provided in this Amendment, the Agreement remains, and shall remain, in full force and effect, in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Amendment No. 2 to the Professional Services Agreement as of the dates set forth below.

BUCKMAN DIRECT DIVERSION BOARD ON CALL EMERGENCY REPAIR SERVICES WITH ALPHA SOUTHWEST, INC.

THIS AGREEMENT is made and entered into by and between the Buckman Direct Diversion Board, herein after referred to as the "BDDB," and Alpha Southwest, Inc. herein after referred to as "Contractor."

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

A. "Products and Services Schedule" refers to the complete list of products and services offered under this Agreement and the price for each. Product and service descriptions may be amended with the prior approval of the BDDB. New products and services shall not be added to the Products and Services Schedule.

B. "Business Hours" means 8:00 a.m. to 5:00 p.m. Mountain Time.

C. "You" and "your" refers to Alpha Southwest, Inc. "We," "us" or "our" refers to the BDDB and whose accounts are created under this Agreement.

1. Scope of Work

A. This Contract is for the for Buckman Direct Diversion Project, Emergency Repair for Operations and Maintenance and consists of, but is not limited to: Professional Services for repairs, installation, replacement, fabrication, modification, rehabilitation, abandonment, and demolition services or spot repair of water distribution system facilities such as water mains, valves, fire hydrants, metered water service installations, pressure regulating stations, and for mechanical and electrical equipment, piping instrumentation and buildings in accordance with the drawings, specifications and other contract documents. The location of the project is in buildings and various sites of the Buckman Direct Diversion Project consisting of but not limited to:

- 1. BDD Water Treatment Plant Site
- 2. Booster Station 1A and 2A
- 3. Booster Station 4A/5A
- 4. Raw Water Lift Station and
- 5. Diversion Site

B. Cost is at the fixed unit prices set forth in Exhibit A – Fixed Unit Price Schedule.

C. Contractor shall furnish all necessary supervision, labor, materials, and facilities, required to accomplish the work set forth in the applicable work order (WO), and in Exhibit A-Fixed Unit Price Bid Schedule – Bid Form attached hereto.

D. Work performed under this Contract shall be authorized in writing by a WO signed by the following BDDB authorized representatives (hereafter "Authorizing Representative"): for all WOs, the BDD Facilities Manager, or his/her designee. A WO signed by other than BDDB Authorizing Representative shall not be honored. Each WO shall set forth (I) the Supervising Engineer and shall set forth the Work to be Performed by Contractor, (ii) the period of performance, (iii) the fixed unit prices per Exhibit A, as applicable, (iv) the ceiling price, and (v) other data as necessary. Contractor shall, upon acceptance of the WO, provide applicable Payment and Performance Bonds and all supervision, labor, supplies, materials, and facilities, including all vehicles and transportation, except as may be provided by the BDDB Authorizing Representative, for the performance of the Work authorized therein. Verbal authorizations may be given by the BDDB in emergency situations but shall be confirmed in writing by the BDDB within five (5) days of the verbal authorization to Contractor.

E. The BDDB may at any time, without notice to sureties, if any, make changes in a WO; if any such change requires the inclusion of additional provisions, or otherwise affects any other provision of a WO as initially set forth or previously amended, an equitable adjustment shall be made in such provision of the WO as may be so affected, and the WO shall be modified in writing accordingly. Any claim by Contractor for adjustment under this article must be asserted in writing within thirty (30) days from the date of receipt by Contractor of the notification of change; provided, however, that if the BDDB decides that the facts justify such action, it may receive and act upon such claim asserted at any time prior to final payment under a WO. However, nothing in this article shall excuse Contractor from proceeding with the WO as changed.

2. <u>Compensation</u>

A. The BDDB shall pay to Contractor based upon fixed prices for each deliverable item as listed in Exhibit "A" attached hereto and incorporated herein.

B. The total compensation under this Agreement shall not exceed Four Hundred Sixty-Seven Thousand Six Hundred Seventy-Seven and 76/100 Dollars (\$467,677.76) excluding New Mexico gross receipts tax, from the following BDDB funds:

- Multi-Year Funding -- Major Repair & Replacement Fund \$367,677.76
- FY 2018-2019 BDD Operating Fund \$40,000.00
- FY 2019-2020 BDD Operating Fund \$60,000.00

3. **Payment Provisions**

All payments under this Agreement are subject to the following provisions:

A. Acceptance - In accordance with Section 13-1-158 NMSA 1978, the BDDB shall determine if the product or services provided meet specifications. Until the products or services have been accepted in writing by the BDDB, the BDDB shall not pay for any products or services. Unless otherwise agreed upon between the BDDB and Contractor, within thirty (30) days from the date the BDDB receives written notice from Contractor of the receipt of products, or completion of services the BDDB shall issue a written certification (by letter or email) of complete or partial acceptance or rejection of the products or services. Unless the BDDB gives notice of rejection within the specified time period, the products or services will be deemed to have been accepted.

B. Payment of Invoice - Upon certification that the products or services have been received and accepted, Contractor shall issue an invoice. Payment is due thirty (30) days after receipt of the invoice. After the thirtieth day from the date that the invoice is issued, late payment charges shall be paid on the unpaid balance due on the contract to Contractor at the rate of 1.5 % per month. Contractor may submit invoices for payment no more frequently than monthly. Payment will be made to Contractor's designated mailing address.

4. <u>Term</u>

This Agreement shall commence on the date it is approved by the BDDB and terminate on June 30, 2020. The BDDB reserves the right to renew the contract on an annual basis by mutual Agreement not to exceed a total of four (4) years in accordance with NMSA 1978, §§ 13-1-150 through 152.

5. Default and Force Majeure

The BDDB reserves the right to cancel all or any part of any orders placed under this contract without cost to the BDDB, if Contractor fails to meet the provisions of this contract and, except as otherwise provided herein, to hold Contractor liable for any excess cost incurred by the BDDB due to Contractor's default. Contractor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of Contractor; such causes include, but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of sub-contractors due to any of the above, unless the BDDB shall determine that the supplies or services to be furnished by the sub-contractor were obtainable from other sources in sufficient time to permit Contractor to meet the required delivery scheduled. The rights and remedies of the BDDB provided in this paragraph shall not be exclusive and are in addition to any other rights allowed by law or under this contract.

6. <u>Termination</u>

A. <u>Grounds</u>. The BDDB may terminate this Agreement for convenience or cause. Contractor may only terminate this Agreement based upon the BDDB's uncured, material breach of this Agreement.

B. Notice; BDDB Opportunity to Cure.

1. Except as otherwise provided in Paragraph 16, the BDDB shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2. Contractor shall give BDDB written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the BDDB's material breaches of this Agreement upon which the termination is based and (ii) state what the BDDB must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the BDDB does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot

be cured within thirty (30) days, the BDDB does not, within the thirty (30) day notice period, notify Contractor of its intent to cure and begin with due diligence to cure the material breach.

3. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to Contractor (i) if Contractor becomes unable to perform the services contracted for, as determined by the BDDB; (ii) if, during the term of this Agreement, Contractor is suspended or debarred by the BDDB; or (iii) the Agreement is terminated pursuant to Paragraph 16, "Appropriations," of this Agreement.

C. <u>Liability</u>. Except as otherwise expressly allowed or provided under this Agreement, the BDDB's sole liability upon termination shall be to pay for acceptable work performed prior to Contractor's receipt or issuance of a notice of termination; <u>provided</u>, <u>however</u>, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. <u>THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE BDDB'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.</u>

7. Amendment

A. This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto and all other required signatories.

B. If the BDDB proposes an amendment to the Agreement to unilaterally reduce funding due to budget or other considerations, Contractor shall, within thirty (30) days of receipt of the proposed Amendment, have the option to terminate the Agreement, pursuant to the termination provisions as set forth in Paragraph 6 herein, or to agree to the reduced funding.

8. Status of Contractor

Contractor, and Contractor's agents and employees, are independent contractors for the BDDB and are not employees of the BDDB. Contractor, and Contractor's agents and employees, shall not accrue leave, retirement, insurance, bonding, use of BDDB vehicles, or any other benefits afforded to employees of the BDDB as a result of this Agreement. Contractor acknowledges that all sums received hereunder are personally reportable by Contractor for income tax purposes, including without limitation, self-employment tax and business income tax. Contractor agrees not to purport to bind the BDDB unless Contractor has written authority to do so, and then only within the strict limits of that authority.

9. Assignment

Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the BDDB.

10. Subcontracting

Contractor shall not subcontract any portion of the services to be performed under this Agreement without the prior written approval of the BDDB. No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the BDDB.

11. Non-Collusion

In signing this Agreement, Contractor/Contractor certifies Contractor/Contractor has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the BDDB.

12. Inspection of Plant

The BDDB may inspect, at any reasonable time during Contractor's regular business hours and upon prior written notice, Contractor's plant or place of business, or any subcontractor's plant or place of business, which is related to the performance of this contract.

13. Commercial Warranty

Contractor agrees that the tangible personal property or services furnished under this Agreement shall be covered by the most favorable commercial warranties Contractor gives to any customer for such tangible personal property or services, and that the rights and remedies provided therein shall extend to the BDDB and are in addition to and do not limit any rights afforded to the BDDB by any other provision of this Agreement. Contractor agrees not to disclaim warranties of fitness for a particular purpose or merchantability.

14. Condition of Proposed Items

Where tangible personal property is a part of this Agreement, all proposed items are to be NEW and of most current production, unless otherwise specified.

15. Records and Audit

During the term of this Agreement and for three years thereafter, Contractor shall maintain detailed records pertaining to the services rendered and products delivered. These records shall be subject to inspection by the BDDB, the State Auditor and other appropriate state and federal authorities. The BDDB shall have the right to audit billings both before and after payment. Payment under this Agreement shall not foreclose the right of the BDDB to recover excessive or illegal payments.

16. Appropriations

The terms of this Agreement, and any orders placed under it, are contingent upon sufficient appropriations and authorization being made by the BDDB for the performance of this Agreement. If sufficient appropriations and authorization are not made by the BDDB, this Agreement, and any orders placed under it, shall terminate upon written notice being given by the BDDB to Contractor.

The BDDB's decision as to whether sufficient appropriations are available shall be accepted by Contractor and shall be final. If the BDDB proposes an amendment to the Agreement to unilaterally reduce funding, Contractor shall have the option to terminate the Agreement or to agree to the reduced funding, within thirty (30) days of receipt of the proposed amendment.

17. <u>Release</u>

Contractor, upon final payment of the amount due under this Agreement, releases the BDDB, City of Santa Fe, Santa Fe County, Las Campanas Water and Sewer Cooperative and The Club at Las Campanas; its officers and employees, from all liabilities, claims and obligations whatsoever arising from or under this Agreement. Contractor agrees not to purport to bind the BDDB, unless Contractor has express written authority to do so, and then only within the strict limits of that authority.

18. Confidentiality

Any confidential information provided to or developed by Contractor in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by Contractor without prior written approval by the BDDB.

19. Conflict of Interest

A. Contractor represents and warrants that it presently has no interest and, during the term of this Agreement, shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under the Agreement. Contractor shall comply with any applicable provisions of the New Mexico Governmental Conduct Act and the New Mexico Financial Disclosures Act.

B. Contractor further represents and warrants that it has complied with, and, during the term of this Agreement, will continue to comply with, all applicable provisions of the Governmental Conduct Act, Chapter 10, Article 16 NMSA 1978.

C. Contractor's representations and warranties in Paragraphs A and B of this Paragraph are material representations of fact upon which the BDDB relied when this Agreement was entered into by the parties. Contractor shall provide immediate written notice to the BDDB if, at any time during the term of this Agreement, Contractor learns that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 19 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances. If it is later determined that Contractor's representations and warranties in Paragraphs A and B of this Paragraph 19 were erroneous on the effective date of this Agreement or have become erroneous by reason of new or changed circumstances, in addition to other remedies available to the BDDB and notwithstanding anything in the Agreement to the contrary, the BDDB may immediately terminate the Agreement.

D. All terms defined in the Governmental Conduct Act have the same meaning when utilized in this section.

20. Approval of Contractor Representative(s)

The BDDB reserves the right to require a change in Contractor representative(s) if the assigned representative(s) are not, in the opinion of the BDDB, adequately serving the needs of the BDDB.

21. Scope of Agreement; Merger

This Agreement incorporates all the agreements, covenants, and understandings between the parties hereto concerning the subject matter hereof, and all such covenants, agreements and understandings have been merged into this written Agreement. No prior agreements or understandings, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this Agreement.

22. <u>Notice</u>

The Procurement Code, Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

23. Equal Opportunity Compliance

Contractor agrees to abide by all federal and state laws, and local Ordinances, pertaining to equal employment opportunity. In accordance with all such laws, rules, and regulations, Contractor agrees to assure that no person in the United States shall on the grounds of race, religion, color, national origin, ancestry, sex, age, physical or mental handicap, or serious medical condition, spousal affiliation, sexual orientation or gender identity, be excluded from employment with or participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity performed under this Agreement. If Contractor is found not to be in compliance with these requirements during the term of this Agreement, Contractor agrees to take appropriate steps to correct these deficiencies.

24. Indemnification

Contractor shall hold the BDDB, City of Santa Fe, Santa Fe County, Las Campanas Water and Sewer Cooperative and The Club at Las Campanas; and its employees harmless and shall indemnify the BDDB and its employees against any and all claims, suits, actions, liabilities and costs of any kind, including attorney's fees for personal injury or damage to property arising from the acts or omissions of Contractor, its agents, officers, employees or subcontractors. Contractor shall not be liable for any injury or damage as a result of any negligent act or omission committed by the BDDB, its officers or employees.

25. New Mexico Tort Claims Act

Any liability incurred by the BDDB in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et. seq. NMSA 1978, as amended. The BDDB and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of

liability pursuant to law. No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

26. Applicable Law

The laws of the State of New Mexico shall govern this Agreement, without giving effect to its choice of law provisions. Venue shall be proper only in the First Judicial District, Santa Fe County, State of New Mexico. By execution of this Agreement, Contractor acknowledges and agrees to the jurisdiction of the courts of the State of New Mexico over any and all lawsuits arising under or out of any term of this Agreement.

27. Limitation of Liability

Contractor's liability to the BDDB, for any cause whatsoever shall be limited to the purchase price paid to Contractor for the products and services that are the subject of the BDDB's, claim. The foregoing limitation does not apply to paragraph 24 of this Agreement or to damages resulting from personal injury or death caused by Contractor's negligence.

28. Incorporation by Reference and Precedence

If this Agreement has been procured pursuant to a request for proposals, this Agreement is derived from (1) the request for proposal, (including any written clarifications to the request for proposals and any BDDB response to questions); (2) Contractor's best and final offer; and (3) Contractor's response to the request for proposals.

In the event of a dispute under this Agreement, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) amendments to the Agreement in reverse chronological order; (2) the Agreement, including the scope of work and all terms and conditions thereof; (3) the request for proposals, including attachments thereto and written responses to questions and written clarifications; (4) Contractor's best and final offer if such has been made and accepted by the BDDB; and (5) Contractor's response to the request for proposals.

29. Workers' Compensation

Contractor agrees to comply with state laws and rules applicable to workers' compensation benefits for its employees. If Contractor fails to comply with the Workers' Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the BDDB.

30. Inspection

If this contract is for the purchase of tangible personal property (goods), final inspection and acceptance shall be made at the destination. Tangible personal property rejected at destination for non-conformance to specifications shall be removed at Contractor's risk and expense promptly after notice of rejection and shall not be allowable as billable items for payment.

31. Inspection of Services

If this contract is for the purchase of services, the following terms shall apply:

A. Services, as used in this Article, include services performed, workmanship, and material furnished or utilized in the performance of services.

B. Contractor shall provide and maintain an inspection system acceptable to the BDDB covering the services under this Agreement. Complete records of all inspection work performed by Contractor shall be maintained and made available to the BDDB and for as long thereafter as the Agreement requires. The BDDB has the right to inspect and test all services contemplated under this Agreement to the extent practicable at all times and places during the term of the Agreement. The BDDB shall perform inspections and tests in a manner that will not unduly delay or interfere with Contractor's performance.

C. If the BDDB performs inspections or tests on the premises of Contractor or a subcontractor, Contractor shall furnish, and shall require subcontractors to furnish, at no increase in contract price, all reasonable facilities and assistance for the safe and convenient performance of such inspections or tests.

D. If any part of the services does not conform with the requirements of this Agreement, the BDDB may require Contractor to re-perform the services in conformity with the requirements of this Agreement at no increase in contract amount. When the defects in services cannot be corrected by re-performance, the BDDB may:

1. require Contractor to take necessary action(s) to ensure that future performance conforms to the requirements of this Agreement; and

2. reduce the contract price to reflect the reduced value of the services performed.

E. If Contractor fails to promptly re-perform the services or to take the necessary action(s) to ensure future performance in conformity with the requirements of this Agreement, the BDDB may:

by contract or otherwise, perform the services and charge to Contractor any cost incurred by the BDDB that is directly related to the performance of such service; or
 terminate the contract for default.

32. Insurance

If the services contemplated under this Agreement will be performed on or in BDDB facilities or property, Contractor shall maintain in force during the entire term of this Agreement, the following insurance coverage(s), naming the BDDB as additional insured.

A. Workers Compensation (including accident and disease coverage) at the statutory limit. Employers liability: \$500,000.

B. Comprehensive general liability (including endorsements providing broad form property damage, personal injury coverage and contractual assumption of liability for all liability Contractor has assumed under this contract). Limits shall not be less than the following:

1. Bodily injury: \$1,000,000 per person /\$1,000,000 per occurrence.

2. Property damage or combined single limit coverage: \$1,000,000.

3. Automobile liability (including non-owned automobile coverage): \$1,000,000.

4. Umbrella: \$1,000,000.

C. Contractor shall maintain the above insurance for the term of this Agreement and name the BDDB as an additional insured and provide for 30 days cancellation notice on any Certificate of Insurance form furnished by Contractor. Such certificate shall also specifically state the coverage provided under the policy is primary over any other valid and collectible insurance and provide a waiver of subrogation.

33. Impracticality of Performance

A party shall be excused from performance under this Agreement for any period that the party is prevented from performing as a result of an act of God, strike, war, civil disturbance, epidemic, or court order, provided that the party has prudently and promptly acted to take any and all steps that are within the party's control to ensure performance. Subject to this provision, such non-performance shall not be deemed a default or a ground for termination.

34. Invalid Term or Condition

If any term or condition of this Agreement shall be held invalid or unenforceable, the remainder of this Agreement shall not be affected and shall be valid and enforceable.

35. Enforcement of Agreement

A party's failure to require strict performance of any provision of this Agreement shall not waive or diminish that party's right thereafter to demand strict compliance with that or any other provision. No waiver by a party of any of its rights under this Agreement shall be effective unless express and in writing, and no effective waiver by a party of any of its rights shall be effective to waive any other rights.

36. Patent, Copyright and Trade Secret Indemnification

A. Contractor shall defend, at its own expense, the BDDB against any claim that any product or service provided under this Agreement infringes any patent, copyright to trademark in the United States or Puerto Rico, and shall pay all costs, damages and attorneys' fees that a court finally awards as a result of any such claim. In addition, if any third party obtains a judgment against the BDDB based upon Contractor's trade secret infringement relating to any product or services provided under this Agreement, Contractor agrees to reimburse the BDDB for all costs,

attorneys' fees and amount of the judgment. To qualify for such defense and or payment, the BDDB shall:

1. Give Contractor prompt written notice within ten (10) days of any claim;

2. Allow Contractor to control the defense of settlement of the claim; and

3. Cooperate with Contractor in a reasonable way to facilitate the defense or settlement of the claim.

B. If any product or service becomes, or in Contractor's opinion is likely to become the subject of a claim of infringement, Contractor shall at its option and expense:

1. provide the BDDB the right to continue using the product or service and fully indemnify the BDDB against all claims that may arise out of the BDDB's use of the product or service;

2. replace or modify the product or service so that it becomes non-infringing; or,

3. accept the return of the product or service and refund an amount equal to the value of the returned product or service, less the unpaid portion of the purchase price and any other amounts, which are due to Contractor. Contractor's obligation will be void as to any product or service modified by the BDDB to the extent such modification is the cause of the claim.

37. Survival

The Agreement paragraphs titled "Patent, Copyright, Trademark, and Trade Secret Indemnification; Indemnification; and Limit of Liability" shall survive the expiration of this Agreement. Software licenses, leases, maintenance and any other unexpired Agreements that were entered into under the terms and conditions of this Agreement shall survive this Agreement.

38. Disclosure Regarding Responsibility

A. Contractor and any of its Principals, or any principal of Contractor's company, is presently not debarred, suspended, proposed for debarment, or declared ineligible for award of contract by any federal entity, state agency or local public body.

B. Principal, for the purpose of this disclosure, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity or related entities.

C. Contractor shall provide immediate written notice to the BDDB if, at any time during the term of this Agreement, Contractor learns that Contractor's disclosure was at any time erroneous or became erroneous by reason of changed circumstances.

D. A disclosure that any of the items in this requirement exist will not necessarily result in termination of this Agreement. However, the disclosure will be considered in the determination of Contractor's responsibility and ability to perform under this Agreement. Failure of Contractor to furnish a disclosure or provide additional information as requested will be grounds for immediate termination of this Agreement pursuant to the conditions set forth in Paragraph 6 of this Agreement.

E. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the disclosure required by this document. The knowledge and information of a Contractor is not required to exceed that which is the normally possessed by a prudent person in the ordinary course of business dealings.

F. The disclosure requirement provided is a material representation of fact upon which reliance was placed when making an award and is a continuing material representation of the facts during the term of this Agreement. If during the performance of the contract, Contractor is indicted for or otherwise criminally or civilly charged by any government entity (federal, state or local) with commission of any offenses, Contractor must provide immediate written notice to the BDDB. If it is later determined that Contractor knowingly rendered an erroneous disclosure, in addition to other remedies available to the BDDB, the BDDB may terminate the Agreement for cause. Still further the BDDB may suspend or debar Contractor from eligibility for future solicitations until such time as the matter is resolved to the satisfaction of the BDDB.

39. Suspension, Delay or Interruption of Work

The BDDB may, without cause, order Contractor, in writing, to suspend, delay or interrupt the work in whole or in part for such period of time as the BDDB may determine. The contract sum and contract time shall be adjusted for increases in cost and/or time associated with Contractor's compliance therewith. Upon receipt of such notice, Contractor shall leave the jobsite and any equipment in a safe condition prior to departing. Contractor must assert rights to additional compensation within thirty (30) days after suspension of work is lifted and return to work is authorized. Any compensation requested for which entitlement is granted and the contract sum adjusted, shall have profit included (for work completed) and for cost only (not profit) for Contractor costs incurred directly tied to the suspension itself and not otherwise covered by any contract remedy. Any change in total compensation must be reflected in an Amendment executed pursuant to Section 7 of this Agreement.

40. Notification

Either party may give written notice to the other party in accordance with the terms of this Paragraph. Any written notice required or permitted to be given hereunder shall be deemed to have been given on the date of delivery if delivered by personal service or hand delivery or three (3) business days after being mailed.

BUCKMAN DIRECT DIVERSION BOARD AMENDMENT No. 1 TO THE AGREEMENT WITH ALPHA SOUTHWEST, INC 19-0301

THIS AMENDMENT No. 1 (the "Amendment") to the Agreement, between Owner and Contractor dated April 4, 2019 and as subsequently amended (the "Agreement"), is made between the Buckman Direct Diversion Board ("BDDB") and Alpha Southwest Inc. ("Contractor"). The effective date of this Amendment shall be the date it is executed by the BDDB.

RECITALS

A. WHEREAS, under the terms of the Agreement, Contractor agreed to provide on-call emergency repair for operations and maintenance services to the BDD.

B. Pursuant to Article 7 of the Agreement, and for good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the Board and the Contractor agree as follows:

1. <u>COMPENSATION.</u>

Article 2, paragraph B of the Agreement is amended to increase the amount of compensation by a total of Thirty Thousand Dollars (\$30,000.00) plus applicable gross receipts tax, so that Article 2, paragraph B reads in its entirety as follows:

- B. The total compensation under this Agreement shall not exceed Four Hundred Ninety-Seven Thousand Nine Hundred Seventy-Seven Dollars and Seventy-Six Cents (\$497,977.76) excluding New Mexico gross receipts tax, from the following BDDB funds:
 - Multi-Year Funding Major Repair & Replacement Fund \$367,677.76
 - FY 2018-2019 BDD Operating Fund \$40,000.00

Alpha Southwest, Inc. (Emergency On Call Services) - Amendment No. 1

30

- FY 2019-2020 BDD Operating Fund \$60,000.00
- FY 2020-2021 BDD Operating Fund \$30,000.00

2. TERM AND EFFECTIVE DATE.

Article 4, of the Agreement is amended to extend the term to June 30, 2021. The BDDB reserves the right to renew the contract on an annual basis by mutual agreement not to exceed a total of four (4) years in accordance with NMSA 1978, 13-1-150 through 152.

3. AGREEMENT IN FULL FORCE.

Except as specifically provided in this Amendment, the Agreement remains, and shall remain, in full force and effect, in accordance with its terms.

Subject	Amendment No. 2 Alpha Southwest, Inc.

ITEM

Request for approval of Amendment No. 2 to the Professional Services Agreement with Alpha Southwest, Inc. in the amount of \$30,000 plus applicable tax for FY2022

BACKGROUND AND SUMMARY

On April 4, 2019 the Buckman Direct Diversion Board awarded RFB 19/07/B to Alpha Southwest, Inc. to provide on-call emergency repair service for operations and maintenance. This contract is strictly an as-needed, on-call contract that will be utilized to support the current BDD maintenance resources in the repair and maintenance of the BDD facilities and equipment. This amendment will extend services through June 30, 2022 and increase compensation by \$30,000 plus applicable gross receipts tax.

ACTION REQUESTED

Staff recommends approval of Amendment No. 2 to the Professional Service Agreement with Alpha Southwest, Inc. in the amount of \$30,000.00 plus applicable gross receipts tax. Funding is approved in our approved FY2022 operating budget.

Buckman Direct Diversion

Date:	July 7, 2022
То:	Buckman Direct Diversion Board
From:	Rick Carpenter, BDD Facilities Manager
Re:	Adoption of BDD Annual Budget for Fiscal Year 2023

ITEM AND ISSUE:

Request to formally adopt the Buckman Direct Diversion fiscal year FY2023 Annual Operating Budget and other fund contributions.

BACKGROUND AND SUMMARY:

The Joint Powers Agreement between the City of Santa Fe and Santa Fe County, establishing the Buckman Direct Diversion Board, provides that the BDD Board annually prepare and recommend a budget and formally adopt the budget upon approval of the governing bodies.

On May 5, 2022, the Buckman Direct Diversion Board approved and recommended the BDD Annual Operating Budget for FY2023 and contributions to our Major Repair and Replacement Fund to the City of Santa Fe's City Council and Santa Fe County Board of Commissioners.

On April 27th, 2022, the City of Santa Fe's Governing Body approved the City of Santa Fe's Water Division's annual operating budget, which included the funding requested for the Buckman Direct Diversion.

On July 28th, 2022, the Santa Fe County Board of Commissioners approved the Santa Fe County Public Works Department's annual operating budget, which included the funding requested for the Buckman direct Diversion.

ACTION REQUESTED:

Staff recommends formal adoption of the Buckman Direct Diversion Fiscal Year 2023 Annual Operating Budget in the amount of \$8,235,780 plus annual contribution of \$1,000,000 for the Major Repair and Replacement Fund.

Budget Message

The *Project Management and Fiscal Services Agreement* (PMFSA) requires the Project Manager to submit an Annual Operating Budget. With this submittal, the Project Manager requests the Buckman Direct Diversion Board (BDDB) approve and recommend the Fiscal Year 2023 Operating Budget of \$8,235,780.

This budget request consists of fixed and variable costs and includes revenue/reimbursements from several sources. The principle operating revenue of BDD's operating budget is reimbursements from the partners for the cost of operations.

BDD was granted federal funds from the Department of Energy for the BDD Storm Water Sampling Program. This funding will be used for the collection of samples from the Rio Grande at the BDD in order to make determinations on the water quality of the river during LANL events.

The monthly PNM solar rebates received for the water treatment plant solar array are also accounted for as a source of revenue. The resulting reimbursement requests for American Capital Energy (primary owner of this solar array) to the City of Santa Fe and Santa Fe County will be reduced by the revenue received.

The partner reimbursement revenue is estimated based on projected expenditure types and allocated based on the cost sharing allocations established in the governing documents. Partners are billed in accordance with the BDD Working Capital and Billing Policy.

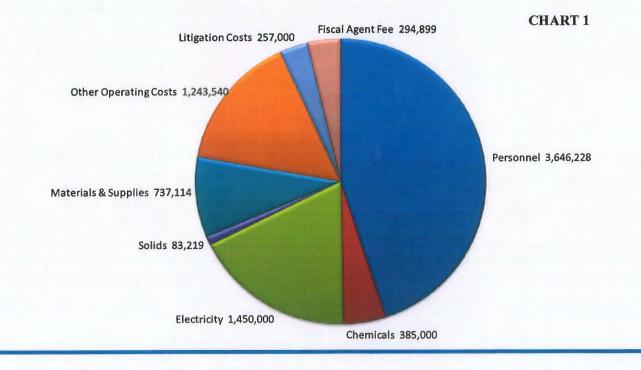

Budget Expenditure Summary

The Buckman Direct Diversion budget consists of seven major categories as presented below. These categories are used to track expenditures for reporting and monitoring our available budget balance. In accordance with our BDD Working Capital and Billing policy, any budget adjustment requests between major categories require board approval. Expenditures are generally recorded when a liability is incurred and are reported in BDD's main enterprise fund.

Budget Summary & Highlights

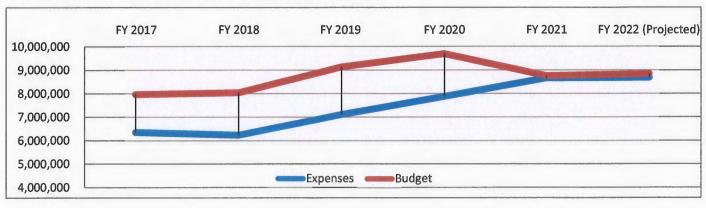

In Fiscal Year 2023, the BDD will be in its twelfth year of operations. The BDD also uses yearly volumetric flow predictions provided by each partner for our variable and project wide allocation of expenditures.

The BDD has collaborated with its partners on the development of this budget and with their support; we present the Fiscal Year 2023 budget request with the following changes:

• The proposed annual operating budget for fiscal year 2023 is \$8,235,780 plus the fiscal agent fee of \$294,899, which represents 4.5% of the prior year's annual operating budget as stated in the amended Facility Operations and Procedures Agreement (FOPA).

Closing the gap between actual expenditures and budget was considered in the development of the annual operating budget request. This will continue to be factor, to ensure funds are properly expended for the purposes as requested.

- Fiscal Year 2017 Actual Expenditures \$6,242,497 (with 6 vacant positions and \$701,988 of unexpended litigation fees) which was \$1,724,657 lower than the adopted budget.
- Fiscal Year 2018 Actual Expenditures \$7,112,089 (with 5 vacant positions and \$641,427 of unexpended litigation fees) of which \$590,000 was carry forwarded to the FY2019 Adopted Budget.
- Fiscal Year 2019 Actual Expenditures \$7,882,811 (with 11 vacant positions and \$255,212 of unexpended litigation fees) which was \$1,251,813 lower than the adopted budget.
- Fiscal Year 2020 Actual Expenditures \$8,665,134 which was \$1,031,275 lower than the adopted budget.
- Fiscal Year 2021 Actual Expenditures \$8,686,832 which was \$76,883 lower than the adopted budget.

Budget Comparisons

Table C presents actual expenses by major category for fiscal year ended June 30, 2021. The change in the fiscal year 2023 operating budget request in comparison to the current 2022 adopted budget. There was an overall reduction in the budget estimate, in the amount of -\$612,419, due to a decrease in projected litigation costs as a result of the settlement. We are re-allocating some of that savings towards categories that were reduced in FY21, due to Covid budget cuts, as well as increasing salaries by 8%, and re-allocating an additional \$373,294 to the Major Repair and Replacement Fund to reach the recommended annual contribution of \$1,000,000. The Major Repair and Replacement Fund is currently underfunded. We are also projecting increases to electricity and gas.

The BDD staff will continue to work with its partners, the City of Santa Fe, Santa Fe County and Las Campanas entities, in determining the costs and funding needed to ensure BDD properly operates and maintains the facilities to meet the demands of its partners.

Volumetric Flow History

BDD has completed a budget analysis for fiscal year 2023, which includes volumetric predictions of 2,238,893 gallons. This is an estimated 5.3% decrease in water delivery thru BDD over fiscal year 2022 predicted water call. The BDD will continue to work with the partners to adaptively manage BDD water deliveries to meet changes in partner demands.

Programs

As the focal point for key resource decisions, the budget process is a powerful tool. The *National Advisory Council for State and Local Budgeting* (NACSLB) was created in 1997 to provide assistance to governments in improving their budgeting processes. In fulfilling that role, the NACSLB set forth a voluntary framework that provides budgeting guidance for state and local governments. The NACSLB established "Best Budgeting Practices" (BBP) which link budget decisions to desired outcomes consistent with organizational goals. This budget incorporates many BBP's set forth by NACSLB.

While local governments struggle with declining revenues, *Outcome-based* budgeting has become an increasingly important national budgeting standard. This type of advanced budgeting links resources to key business strategies and performance indicators. This "performance-based" approach connects key financial decisions to interdependent concepts of strategy, planning, business execution and measurement. Hence, this budget document contains more than a tabulation of financial figures. Rather than narrowly focusing on expenditures, we've established a structure for measuring the "value" citizens receive for their dollars by quantifying organizational achievement. In other words, the heart of this budget centers on determining how well the BDD executes its core business functions. We've shifted the focus from "paying for costs" to "buying results". In addition, this budget simultaneously unifies our financial planning efforts with the *High Performance Organization* (HPO) principles which have become thriving core values of the BDD's working culture.

The BDD is divided into seven (7) key programs with explicit business functions. Each Program was developed to support specific goals and objectives. These business activities encompass all functions necessary to operate the water treatment plant, maintain full regulatory compliance, execute Fiscal Agent responsibilities, and optimize infrastructure investments through comprehensive asset management.

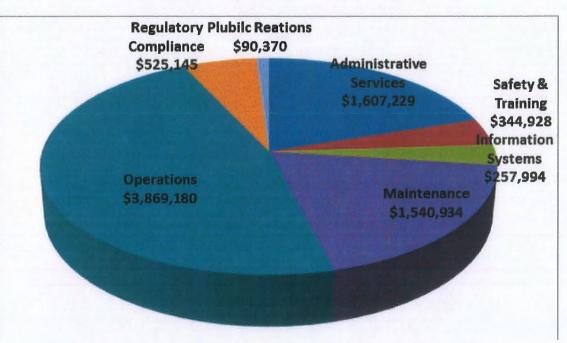

💄 Buckman Direct Diversion

Program Budget Comparison

The expenditure budgets for these seven key programs are presented below. Total program funding includes all employee wages and benefits for full time equivalent employees, and associated overhead expenses. These key programs incorporate all business expenses necessary to execute core business functions, and allow the reader to understand how limited resources are allocated within the budget.

Strategic Goals - Supported by program resources

- Operations To ensure the highest standard of water quality, using the most efficient and up to date water production methods.
- **Regulatory** To maintain and improve LANL/DOE monitoring program.
- Maintenance To equip the staff with the tools and equipment to efficiently and effectively maintain and repair the assets of the BDD.
- Safety & Training To promote and assure workplace safety and health in preventing workplace injuries.
- Administrative Services To operate and maintain the BDD within budget and in accordance with the governing documents.
- **Information Systems** To maintain and support all automation and security systems.
- **Public Relations** To coordinate, create and support key events for the BDD outreach program.

Emergency Reserve Fund (ERF)

The Project Management and Fiscal Services Agreement, Article 3. (E.) requires the BDD Board create an Emergency Reserve Fund, and establish procedures for its management. The Emergency Reserve Fund provides immediate reserves for unforeseen or catastrophic infrastructure failures that render facilities unable to deliver water at the needed capacity. The Project Manager, in consultation with the partners, must submit to the BDD Board an analysis of the funds required for an emergency reserve and suggest procedures for creation of and management of the Emergency Reserve Fund.

The BDD Board approved the Emergency Reserve Fund policy and funding contributions as part of the Fiscal Year 2012 budget request. This policy established target balances, replenishment requirements and funding allocations.

As of June 30, 2021 the Emergency Reserve Fund remained fully funded to its targeted balance of \$2,000,000. As per the BDD Working Capital and Billing Policy, these funds are interest bearing and are allocated to the partners based on the percentage of cash held in their respective accounts at the end of each fiscal year.

Major Repair and Replacement Fund (RRF)

The BDD Board also previously approved the Major Repair and Replacement Fund as part of the Fiscal Year 2012 Budget. Per the Major Repair and Replacement Fund policy these funds are to receive yearly contributions held in reserve to support major repair and replacement costs of facility equipment and systems.

The BDD Board has authorized expenditures of \$582,927 for repair and replacement of system equipment in accordance with the policy. These authorizations, upon expenditure will reduce the available balance in this fund. The Major Repair and Replacement fund will continue to receive yearly contributions in accordance with the policy. We are proposing to re-appropriate budget savings in the amount of \$373,294 toward the fund, in addition to the annual contribution amount of \$626,706, for a total of \$1,000,000 to ensure a sustainable fund for the future as much equipment will be reaching its life expectancy, per the asset replacement schedule.

Buckman Direct Diversion

Date:	June 22, 2022
То:	The Buckman Direct Diversion Board
From:	Monique Maes, Contracts Administrator
Via:	Rick Carpenter, Facilities Manager
	Randy Sugrue, Operations Superintendent
Subject	FY 22/23 Chemical Award Extensions

<u>ITEM</u>

Request for approval to extend chemical contract bids for an additional year from various vendors for an estimated amount of \$791,288.00

Background

The BDD uses various chemicals to treat surface water in compliance with State and Federal Drinking Water Standards. Quantities purchased are based on anticipated flows and estimated dosages as determined by Operations.

On May 7th 2021, staff **awar**ded RFP '21/39/B, -BDD Water Treatment Chemicals, to various vendors as listed in the chart below.

The BDD is exercising the option to extend the purchase of these goods for an additional year. This is year two of the allowed extension of a four year period. Staff has submitted an extension request to each suppling vendor, in which all extensions have been reviewed and will be renewed upon approval.

Please be advised that due to rising market, energy, manufacturing and transportation costs, as well as supply chain issues, and inflation, we are seeing a dramatic increase in the rates from last year. See attached justification letter from Alan Moss, District Sales Manager with DPC Inc.

Carol Romero-Wirth, BDDB Chair

Mr. Sugrue

Over the last 18 months the chemical world has seen unprecedented cost increases in almost all major chemicals. With these increase across the chlor-alkali market and with the market also seeing tightness in supply we have seen increases in raw material prices, labor costs, energy costs, container costs, transportation costs and virtually every supply cost associated with manufacturing. The chemical world has seen constant and rapid price increase throughout the year, at this time we do not foresee this changing for the immediate future.

The chemical industry overall is continuing to see an imbalance between supply and demand that is causing product shortages worldwide. There are several reasons for the changes in the chemical markets, from the pandemic to transportation to political changes throughout the world. We will continue to make sure all our customers are serviced with the chemicals they need from DPC. I have included several letters from producers for your records. Please feel free to call with any questions, and I would be available for a in person meeting also.

Thank You

Alan Moss
